

## Memorial Candles

1. We light the first candle to remember and never forget the six million Jews and our Nowy Dwor families who perished in the Holocaust.
2. We light the second candle to remember the Polish people who were killed during the second world war just because of their faith, sexual orientation, disabilities, color, or political affiliation.
3. We light the third candle to remember the Jewish culture that was once a part of the vibrant Nowy Dwor Mazowiecki community.
4. We light the fourth candle to remember the Polish citizens who saved their Jewish neighbors.
5. We light the fifth candle to honor those here this evening and citizens of Nowy Dwor for embracing the universal values of tolerance and respect for the other.
6. We light the sixth candle to honor next generations of Polish citizens who will fight prejudice, discrimination and hate.
